Salary
$70,885 is the average first year salary plus bonus for full time employment

* The Career Plans Survey was conducted among students who graduated from Mason in August and December 2018 and May 2019. The full survey was initially administered to all graduates online via email and additional data were collected via individual phone calls, reviews of students’ online social media profiles (e.g., LinkedIn) and National Student Clearinghouse Data to determine career outcomes, yielding data from 5,809 of 8,947 graduates. Additional percentages reflect varying numbers of respondents per item. Percentages may not be 100% due to rounding.
